EDUCATION DEPARTMENT

NOTIFICATION

*Shimla-2, the 20th December, 2004*

No. EDN-A-Chha((7)6/99-IIJ(Loose).—The matter with regard to issue “No Objection Certificate” for starting the new B. Ed. Colleges in the State was engaging attention of the Government for sometime past. Now, after careful consideration of the matter, the Governor Himachal Pradesh is pleased to notify the policy for granting ‘NOC’ to the various Societies/Institutions to start new B.Ed. Colleges in the State as per “Annexure I to V”, in the Private Sector.

The Governor, Himachal Pradesh is further pleased to order that the above policy shall come into force with immediate effect. However, the already established private B. Ed. Colleges in the State of Himachal Pradesh shall have to comply with the provisions contained in the policy within 6 months.

By order,

Sd/-  
Principal Secretary.

**POLICY WITH REGARD TO ISSUE OF NO OBJECTION CERTIFICATE FOR THE INTRODUCTION OF B. ED. COURSES ON REGULAR BASIS IN THE PRIVATE SECTOR IN THE STATE OF H.P.**

New Education Policy 1986 was arrived at after a considerable debate and consensus. New Education Policy has amongst other areas, laid down policy in the area of vocational technical and management education programme of action required for implementing New Education Policy call for :

1. Making the education relevant to meet the needs of the society.
2. Providing educational opportunities to weaker section of the population.
3. Providing continued education opportunities to working population for skill and occupational upgradation and for promoting vertical mobility.
4. Quantitative expansion in Technical Education to provide trained manpower in emerging areas of technology in organized sector.
5. Designing education system to provide technical education and vocational training for unorganized sector, woman and rural population.
6. Setting up institutions of excellence thus promoting qualitative improvement in the educational process.
7. Offering suitably designed curricula to motivate the potential students to become self-employed and entrepreneurs.

Keeping the above ultimate requirements in view the privately managed institutions are making modest beginning by offering B.Ed. course and the need has been felt to develop norms and standards in respect of providing physical, infrastructure and instructional facilities, staffing pattern, qualifications of the staff, appointment and fee structure etc. in respect of privately managed B. Ed. Colleges in the State. The norms/guidelines for the purpose will be as under:—

**1. Infrastructure :**

(1.1) The institute should be located in a noise free atmosphere and it should be relatively pollution free zone, having adequate supply of drinking water, and electricity. It should have good conveyance and communication facilities with the nearest town.

(1.2) The land area chosen must provide enough space for institutional building and for future expansion and adequate open space for institutional building and for future expansion and adequate open space for organizing games and sports. The minimum essential space required for B.Ed. Institute, represents administrative wing, academic wing and playgrounds. Residence for Principal should also be provided. It would also be essential to provide hostel for students separately for girls and boys and residential quarters for teaching and non-teaching staff, be provided as per requirement of the institution. The institution should have two separate hostels for men and women with a provision of common rooms and separate toilet facilities each for men and women. Hostels should be single sealed or two seated rooms and there should be facilities for drinking water (preferably water cooler) at two places.

Rooms should have a floor area of 8 sq. mtrs. kitchen and dining area 1.5 sq. mtrs. per student and toilet and other spaces of 0.5 sq. mtrs. per student. Thus the hostels will have a floor area of 10 sq. mtrs. per student. The hostel facility should be available minimum 50% of the students in the college.

Besides, the essential and desirable norms in respect of the land area required for the institution are as under:—

Land Area	Essential	Desirable
